Features

Revolutionary Folding Unit

Form size & folding positions are easy to adjust & can be set in a matter of seconds.

Unique Sliding Design

The entire folding unit slides out for easy maintenance.

Manual Feeder

A simple manual feeder allows the processing of single or damaged forms.

Jam Free Press Roller

The reverse rolling system automatically reverses direction & kicks back any forms that are jammed in the pressure rollers. This eliminates the operator from having to use a tool to back out a jam.
